Register for Activities

To register a student for an activity, you will need to have a user account and be connected to the desired student(s). If you have done this step already, follow the steps below to register. *If you do not have an account or have not connected your account to students, you will need to do those steps first. Please review the document on the website home page for instructions on that process, if needed.*

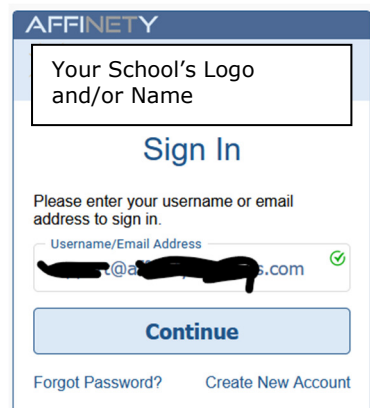

Click "Sign In" at the top of the page.

The screenshot shows the top of the Affinity website. The header is blue with the word "AFFINETY" in white. Below the header is a light blue navigation bar. On the left, there is a placeholder for "Your School's Logo and/or Name". In the center, there is a link labeled "Activities" with a star icon. On the right, there is a "Sign In" button. A red arrow points from the "Sign In" button to a text box on the right. Another red arrow points from the "Activities" link to a text box on the left.

Click here to view information without logging in. You can view the catalog, review documents, and find contact information. You will need to sign in prior to processing a registration.
